Subject: Letter of support for the Association EPEKA

Dear Mr. Bajram E. Kosumi,

With this letter, I would like to express my support for the Scientific and Research Association for Art, Cultural and Educational Programmes and Technology EPEKA, Social Enterprise. Furthermore, I would like to confirm that the Association EPEKA with the headquarters in Maribor (Slovenia) and branches in Berlin (Germany), Graz (Austria), Aylesham (UK), Niš (Serbia), Berane (Montenegro) and in Banja e Pejës (Kosovo), is a non-governmental organization whose primary objective is to integrate EU values in the society.

The Association EPEKA is active in the field of non-formal education, culture, art, youth work, human rights and social entrepreneurship. One of their best examples of outstanding work on the level of the whole European Union is establishing the first Roma restaurant, named Romani Kafenava (Maribor, Slovenia), which operates on the principles of social entrepreneurship.

EPEKA is genuinely committed to supporting people with fewer opportunities by giving them key competences for a better and more prosperous life.

Should you have any additional inquiries, please do not hesitate to contact me.

Yours sincerely,

Ms. Tanja Fajon
Member of the European Parliament
