Europe for Citizens 2014-2020 Closing Event - Success Stories Speak Out

18 February 2021

At the event itself, we will be joined by the European Commission's Ms. Jutta König-Georgiades (DG Just), who will present the achievements of the EEAS programme and give an overview of the successor to the CERV programme (Citizens, Equality, Rights and Values programme). Domen Savič is the founder of the non-profit Citizen D, which is the first in Slovenia to focus primarily on the challenges of human rights in the information society, media literacy and active citizenship.

In the second part, we will divide into three groups (European Memory, Sister Cities and Networks of Cities, Civil Society Projects) where you will have the opportunity to present your successful ECD projects, experiences, achievements... You will exchange views and try to highlight the main message, what you have gained by participating in the programme, what impact the project has had on the organisation, individuals and the local community.

Join us on Wednesday, 17 March 2021 from 10 am to 12 noon.

Hurry up with your application.

See you there.
