Erasmus+ Programme  
of the European Union

"FUNDED BY THE ERASMUS+ PROGRAMME OF THE EUROPEAN UNION. HOWEVER, EUROPEAN COMMISSION AND TURKISH NATIONAL AGENCY CANNOT BE HELD RESPONSIBLE FOR ANY USE WHICH MAY BE MADE OF THE INFORMATION CONTAINED THEREIN"

## ABOUT PROJECT

In 1966, the General Assembly of United Nations emphasized the necessity for all countries to work on preventing racial discrimination and declared 21st March as International Day for the Elimination of Racial Discrimination at the Convention on the Elimination of All Forms of Racial Discrimination.

Although it has been many years since this convention, which expresses the elimination of all forms of racial discrimination, people are still considered to be superior or rightful in terms of color, race, religion, national or ethnic differences. Despite scientific, cultural, political and technological advances, racism is the universal and a huge problem for mankind.

Based on this fact, the main objective of Live Library project is; to eliminate cultural disintegration and, create a common European Citizenship conscious instead by ensuring cultural integration of people who have a different culture, religion, belief, color.

In this project a potential participant's profile will be; youngs who were exposed to situations such as; racism, discrimination, prejudice, student organizations, NGO volunteers working on topics like, intercultural learning, social inclusion, breaking down prejudices and finally potential young people who may act racist unwittingly.
