MATEO

ROMSKA POSTAJA

20 December, 2022

Roma Station

You are cordially invited to visit us on Tuesday, 20 December, for an English course.

English, which has become a global language, can be of great benefit to everyone involved. When we need additional information on a wide range of subjects, we often find it in English. As many of you are taking part in youth exchanges abroad in the framework of our international mobility projects, it is also important to improve your level of knowledge and use of the English language, which is crucial for good cooperation within such projects. We invite you to take part in training courses to acquire key English language skills and increase your chances of finding a job and making the most of your international activities. The learning objective of the activity is: Practice with real-life scenarios and role-plays to improve fluency and confidence in using the language. The activity will take place from 18.00 to 20.00. Participation is free of charge. The event will be held in accordance with the recommendations of the NIJZ.
