Web – Digital monitoring and recording

The Association EPEKA, Soc. Ent., took part in a meeting on digital monitoring and recording of youth work, organised by MaMa Network and the Office for Culture and Youth of the MOM. As part of the Digital NGO project, co-financed by the Ministry of Public Administration, we were invited to participate in the creation of a digital tool for monitoring youth work.

The concept of this tool and our possibility to influence its design were presented during the workshops. We are pleased to be able to contribute to improvements in the field of digital monitoring of youth work.
