DIGITAL ENTREPRENEURSHIP AND INCLUSION PROGRAMME

16 – 23 June, 2023

Barcelos, Portugal

In June, youth workers are going abroad for training. Coming with us? The Digital Enterprise and Inclusion Programme (Deip)..

The Digital Enterprise and Inclusion Programme (DEIP); aims to increase the knowledge, awareness and skills of youth workers and NGOs, with a focus on social cohesion, to create a sustainable and reliable network that responds to the needs of digital transformation and to ensure sustainable cooperation by bringing together organisations motivated to participate from the countries of the programme.

The objectives of the project are:

- To develop the skills of youth workers in the field of social inclusion, participation, inclusion and diversity within the theme of social cohesion.
- To experience the process of developing and managing projects in a collaborative way, taking into account local differences.
- Establishing a sustainable social cohesion network with an international impact, responding to the needs of the digital transformation, to raise awareness on social cohesion through local and national events and projects.
- Contributing to the development of social cohesion policy through representative strategies developed by partner projects.

IAFA's main objective is to SUPPORT LOCAL DEVELOPMENT in order to raise its standards to European level. IAFA aims to ensure that economic and social policies are mutually supportive in a global strategy of economic and social development in order to create sustainable development. It is committed to promoting intercultural cooperation among young people through programmes addressing themes such as human rights, equal opportunities, migration, refugees and entrepreneurship, while being aware of the need for collective solidarity and social inclusion.

Participation is free of charge for members of the Association EPEKA, Soc. Ent., i.e. travel, accommodation and food costs are covered for the duration of the project. Interested in more? Detailed information can be found in the Infopack, or to register, please contact: matej@epeka.si

The project is funded by Erasmus+.
