The Association EPEKA, Soc. Ent., organises a film screening in Murska Sobota as part of the **EU Youth Cinema: Green Deal** project.

EU Youth Cinema: Green Deal is an innovative project dedicated to a sustainable Europe, presenting the European Union's green objectives in a film context. The project contributes to the appreciation and understanding of the **EU Green Deal** among young viewers and provides a platform for a multicultural approach to the Green Agenda. The project engages young audiences in particular, addressing environmental challenges and promoting green activities and lifestyles.

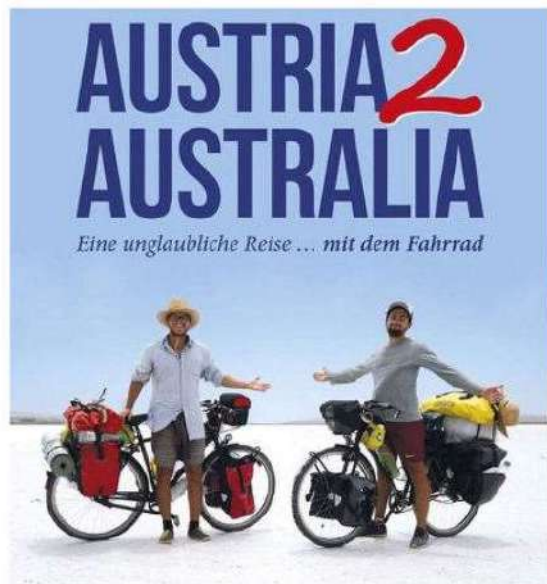

The project will offer young people and teachers a programme of film and educational activities over a period of 24 months. Film screenings and streaming content will be accompanied by didactic material and thematically linked discussions, workshops and lectures.

The programme is based on a carefully selected film collection of 25 European films, which will be presented both in cinemas and via an online streaming platform between May 2022 and May 2024.
