The part 1 of the final online training day by European Affordable Housing Consortium, SHAPE-EU
REGISTER HERE

The EU with its' Renovation Wave recast of the Energy Efficiency Directive and the Energy Performance of Buildings Directive sets ambitious targets. However, the complexity and fast-paced evolution of these regulations, combined with national and local regulations, can both facilitate and hinder renovation projects, creating challenges and confusion.

Join us to explore practical solutions for overcoming regulatory hurdles, and learn how to successfully scale up your district renovation efforts. Don't miss your chance to be part of the solution!

- Regulatory barriers for district level social and affordable housing renovations
Thibault Perrailon, GreenFlex
- Panel discussion on regulatory challenges with the blueprint authors
Paula Ferrando Julia, GNE Finance
Henk Visscher, TU Delft
Nerea Gomez, ECTP
- The Aalborg Model – transforming a vulnerable housing area into a mixed community
Sven Buch, Himmerland Boligforening
