- Create an awareness of the value of art and empower the participants to recognize the value of both their own artistic skills and those of other artists.
- Develop the participants' abilities to build their own personal brand within the art world, as well as provide them with the skills to pass on what they have learned to young artists in their community.

ACCOMMODATION:

DURING THIS TRAINING COURSE WE WILL STAY IN "CEULAJ" MOLLINA, SPAIN

TRANSPORT:

The easiest way to reach the point is flying to **Málaga airport (AGP)**. There is a train that goes from the airport to the main **train Station (Maria Zambrano)**. (Always take the receipt, so we can reimburse you these money)

Malaga - Costa del Sol Airport (IATA: AGP, ICAO: LEMG) is one of the most important international airports in Spain, it has connections to major cities worldwide and is located just 11'5km from the city's Historic Quarter. To get to the city centre you can either take the bus or the train, even though we recommend you to take the train.

Bus: There is a bus station located underground at the airport. It can be reached from the arrivals level of the transportation hub or from arrivals in terminal 3, which can be accessed from all terminals. There is also a bus stop outside the cargo terminal. Buses to Malaga depart from a stop outside the arrivals hall half- hourly (6.30am to 11.30pm) and the ticket costs 3€.

Train: The airport has opened an underground station for Cercanías Málaga commuter trains, connecting it with Málaga and providing this way better communications with the city center. Málaga's new suburban train line has opened, providing access from the arrivals area of terminal 3. Trains run every 20 minutes between Malaga City and Fuengirola via Malaga Airport and the ticket costs 2,30€.

Anyway, if it's better for you, it's possible to fly to Madrid's or Seville's airport and then take a bus or train to Malaga.

Please, it is really important that before buying the flight, we confirm them so they are 100% reimbursable!! It is possible to come or leave 1/2 days before or earlier in your expenses ^^

We will manage the best way to get to el Borge, maybe we will pick up the group in the same bus on Málaga or give you the instructions of how to go, we will let you know!

WEATHER:

January in Spain can be quite cold, we recommend you to have at some warm clothes with you

Temperatures will go around 17-19 °C during the day and 7-10°C at night.
