International

E PEKA participates in the Erasmus+ international project "Support the Start of the Youth Organisation".

The objectives of the project are:

- 1) to improve the offer of training and socio-educational animation in the youth sector also in relation with local political decision makers;
- 2) to support trainers and youth leaders in starting up forms of association or youth associations in their area;
- 3) develop the capacity of organisations to work transnationally and cross-sectorally;
- 4) to start the process of formal recognition of the youth worker figure.

The main activities are:

- the production and editing of an electronic manual for the launch and development of a youth association and the implementation of quality socio-educational animation activities
- conducting a pilot training to test the effectiveness of the e-book
- 4 transnational meetings and trainings
- drafting of a system for assessing the exit skills of youth workers

Outputs will be:

- a work plan indicating activities, deadlines and tasks for each partner
- an e-book for youth workers
- learning material to be used in the pilot course
- rating scales for the output skills of the 24 youth workers
- a guide for the assessment and formal recognition of skills, containing the learning outcomes of the training course
- project logo, website and social media pages about the project

The project is co-funded by the EU Erasmus+ programme, the Slovenian Office for Youth and the Municipality of Maribor.
