tefan Simončič, President of EPEKA, will participate in the webinar **Supporting the development of energy communities: which role for local and regional energy agencies?**, which will be held online on 18 September 2024 at 11:00.

The webinar will present the tools and methodology developed by the partners in the **SCCALE 20 30 50** project:

- Learn about the community energy platform and our different tools for community energy;
- Learn about the SCCALE methodology and how it can support emerging energy communities;
- Get in touch with SCCALE partners and other European energy agencies;
- Discuss the role of energy agencies in the development of new energy communities;

Organised by **Sustainable Collective Citizen Action for Local Europe (SCCALE) 203050**

Co-funded by the **European Union – Horizon 2020**
