4 – 6 June 2025

Dublin, Ireland

The Association EPEKA, a social enterprise, is taking part in the International Festival of Non-Profit Housing 2025 as part of the EPEKA Housing Co-operative for All project.

EPEKA will participate in the fifth edition of the International SocialHousing Festival, which will take place in Dublin, Ireland, from 4 to 6 June 2025. The event is hosted by members of Housing Europe, the Irish Council for Social Housing (ICSH) and Co-operative Housing Ireland (CHI).

The Festival will take place in Dublin's prestigious Convention Centre, offering a range of exciting opportunities for participants. In addition to discussions and workshops, the event will also include afternoon excursions and evening social and cultural events to enrich the overall experience.

The central theme of the festival, "Storytelling", will guide the discussions and events over the two and a half days. This is a continuation of the conversations stimulated by the previous four editions of the festival, which took place in different European cities.

ISHF Dublin 2025 will be a platform for organisations from all over the world to present their ideas, projects and visions that will shape the future of non-profit housing. A rich exchange of knowledge, experience and best practices is expected between international experts and representatives of organisations.

As an active stakeholder in the field of social inclusion and sustainable development, EPEKA will participate in the festival to showcase its projects and engage in discussions on the challenges and opportunities related to non-profit housing. Being present at the event will also allow networking and exchange of experiences with other international organisations.

The event represents an important opportunity to further promote sustainable solutions, improve the quality of housing and strengthen the role of non-profit housing in modern society.
