ANTROPOGEN 4

Youth exchange

Infopack

Breaza, Romania 21-30.08.2025

Context

The climate changes are a hot topic in our days. The humans are putting a big pressure to the nature. A large number of animals and plants species (60%) are not existing anymore. The social responsibility of the new generation is not clear explained and the information has a not clear character. Many media and social media sources are creating messages that is generating confusion. The climate scepticism is blurring the capacity of young people to have the right information to can build their own civic position and commitment to this cause.

It is necessary to be created an opportunity for debate and critical thinking approach to the informational noise in the ANTHROPOGEN AGE. The humans need to assume responsibility and for it the educative approach should stimulate an active attitude.

GOAL 20 participants (15-18years old) from Romania, France and one more EU country will gain a responsible perspective regarding their active role about the climate changes THE YE LEARNING OBJECTIVES

- The participants will understand SDG concept and how they could be used in their everyday life for an active approach
- The participants will be able to understand the concept of climate scepticism and will develop a critical thinking approach about this topic
- The participants express trough a performance and visual arts their new perception about the climate changes

Where?

You landed in Bucharest!

Upon your arrival to the Henri Coanda Airport (OTP) if you follow the signs to the railway station, you will reach the train that can take you to the main station of Bucharest - [click here to buy tickets online](#) for this train ride, don't worry, you will also have access to busses or taxi/Uber. The train leaves every 40 minutes.

You are at the București Nord railway station!

From here you can get on the train from Bucuresti Nord to Campina - [click here to buy tickets online](#) for this ride

Tickets on the date of your arrival won't be available until one month prior, but the pricing will remain the same. Try to get tickets for trains marked with the IR serial number, because they stop at fewer stations on the way

Almost there!

Please let us know at which time you will arrive to Câmpina so we can pick you up! After about 15 to 20 minutes we will reach the accommodation!

Please keep all travel documents and receipts for reimbursement!

The screenshot displays a Google Maps interface with a search for 'ri Coandă Buc' and 'Poiana Câmpii'. The map shows a route from Henri Coanda Airport (OTP) to Campina, passing through Ploiești and Târgoviște. The route is highlighted in green. The left sidebar shows search results for 'ri Coandă Buc' and 'Poiana Câmpii', along with travel options including a train and bus, and a duration of 1 h 39 min. The map shows various towns and roads in the region.

Dear partners and participants,

ACTIVITIES

The project agenda will have a spectrum of

- Interactive workshops and debates regarding the ANTHROPOGEN AGE and humans roles to be again in harmony with the nature.
- Arts workshop to create a performance & and exhibition for the local hosting community promoting the SDG and the emergence of an active attitude for the climate changes
- Thematic visits about the impact of climate changes for the nature
